### Request for Order Modifying the Conditions or Term of Supervision With Consent of the Offender (Probation Form 49, Waiver of Hearing is Attached)

Name of Offender: Baley Lynn Enloe Case Number: 17-CR-093-GKF  
Name of Judicial Officer: The Honorable Paul J. Cleary  
Original Offense: Count One: Drug Conspiracy, in violation of 21 U.S.C. §§ 846 and 841(b)(1)(A)(viii)  
Original Sentence: To be determined  
Type of Supervision: Pretrial Release Date Supervision Commenced: October 10, 2017

### PETITIONING THE COURT

☒ To modify the conditions of supervision as follows:

The defendant shall reside at a sober-living facility designated by the probation officer until an alternative residence is approved by the probation officer. The defendant shall comply with all of the rules and regulations of the facility. Based upon the defendant's lack of ability to pay the initial down payment and a partial month's rent at the facility, these fees will be paid for by the Probation Office. The defendant is required to pay all rent thereafter.

### CAUSE

On October 10, 2017, the defendant was released from custody and placed at Turley Residential Center in Tulsa, Oklahoma. On October 17, 2017, the defendant was approved to reside with her grandmother in Collinsville, Oklahoma. At the time, the defendant's grandmother was living in a location close to where the defendant could obtain employment, attend counseling sessions, submit to drug testing and have access to transportation. On November 1, 2017, an argument between the defendant and her grandmother resulted in the defendant moving to her aunt's residence in Collinsville. Due to the number of individuals residing at this location and alleged criminal activity occurring at her aunt's residence, it was recommended that the defendant move forward with her desire to relocate to an Oxford house. The defendant applied for admission and was approved to reside at an Oxford house located in Tulsa, Oklahoma. On November 27, 2017, the residence was verified and seems to be a good fit for the defendant. She has recently obtained employment with Green Country Marketing and starts next week. At this time, the defendant is compliant with her conditions of release, is drug testing as required, and has begun mental health counseling.

The defendant, after being advised of her right to assistance of counsel, agreed to said modification and executed a waiver of hearing and consent to modification of conditions as set forth herein.

Respectfully Submitted,
